## Quarantine in Brook Park

Although it has been a challenging couple of months in quarantine due to the COVID-19 pandemic, our unique neighborhood has proved to be a wonderful support and resource to many. From scavenger hunts to outdoor neighborhood music, to mask donations or food deliveries, Brook Park is truly the best. We sincerely hope that this newsletter finds all of our Brook Park friends and family in good health, and looking forward to even better days!

## Green Phase Guidance COVID-19

Starting June 5, Allegheny County will move into the "green" phase under Gov. Tom Wolf's Process to Reopen Pennsylvania. [Click here](#) for more information on the Process to Reopen Pennsylvania. local operations, please view town or borough websites: <https://www.franklinparkborough.us> OR <https://www.townofmccandless.org>

## Brook Park Walking Art Show

Broad Hill	Sandhurst
Harvest Manor	King Charles
King Ridge	King David
Broadmeadow	

Any questions can be sent to [nicolegronsky@gmail.com](mailto:nicolegronsky@gmail.com) We can't wait to see what you all create!

## Recap: Neighborhood Scavenger Hunt

What a great neighborhood response there was to the "socially distanced" scavenger hunt this March. It was nice to see so many people out and about, albeit safely!

We had 29 entries, 10 of which had perfect scores. Those perfect people are: Lucas Stewart, The Kanes, Sheila Duffy, Haley Shanahan, Layla Bopp, The Tengowskis, The Sunderlins, The Bunker Bunch, Penelope & Eliza Cottone, and the Bukowinskis!

Winners received prizes courtesy of Mary Frances Dean, Suzanne Filiaggi Bridges, the French family, and Brook Park Civic Assoc.

Thank you all for playing or participating in the 'decorating'. We are all lucky to be a part of such a wonderful neighborhood (especially during trying times!). ~Melissa French

## Sophie the Cow is Moving!

Hi Neighbors, Many of the kind people of Brook Park have asked me about Sophie's future. Well, she is certainly staying in the family! I could not part with her since she is such a loving pet. Sometime within the next few weeks she will be moved to her new home. I

would like to thank everyone for their kindness not only towards Sophie, but to my family as well!

Sincerely, June Fassinger Hahn

## Reminder: Dogs on Leash

Please remember to keep your dogs on a leash at all times when walking through the neighborhood.

## COUNTDOWN TO OPENING DAY!

The Brook Park Swim Club is targeting to open on Friday, June 5 (last day of school for NA). The pool is filled and we're working behind the scenes to get things ready.

We will have some changes this year in order to comply with the CDC guidelines for pools and the PA COVID guidelines for businesses. Our pool-specific COVID plan will be posted at the pool, but the biggest things you should know are:

**Bring Your Own Chair/Blanket:** We're making improvements in order to minimize shared surfaces, including automatic soap dispensers and hand dryers. The shared pool chairs will be in the pavilion to start the season, so please bring your own chair/blanket (the benches around the baby pool will still be available for those who choose to use them).

**Sanitizing:** Touch surfaces will be treated hourly. Touch surfaces include pool handrails, diving board, water slide, sink faucets, flush handles, shower handles, and other similar non-porous hard surfaces that will be touched by multiple people. In addition to the hourly touch surface disinfection, the bathrooms will be cleaned and sanitized daily. Floors, walls, toilets, sinks, lockers, and showers will be cleaned and disinfected following health department and CDC guidelines.

**Certified Pool Operators:** Thanks to Kat Cottone, Mark Sullivan, and Drew Hunker for completing their Certified Pool Operator (CPO) training! Drew will be the Pool Manager this summer and Kat/Mark will back-up as necessary. We are lucky to have so many great folks looking out for the pool this summer!

**Social Distancing:** Our membership level is in-line with where we have been within the past 5 years and we believe that we have

enough land surrounding the pool area that our members will be able to attend the pool whenever they choose and maintain social distancing guidelines. We also will not be having daycare or large groups this summer. Therefore, we do not plan to have sign-ups for attending the pool during certain time slots.

**Guests:** We are typically very welcoming of guests, but to start this season, we will not be having any guests in order to limit the number of people in the facility at one time. When we are able to welcome guests, fees are \$5/person or you can purchase 10 guest passes for \$40.

**Snack Shack/Food Policy:** To start the season, we will not be operating the Snack Shack, but we may reopen it as we move into the season. Members may bring their own food and beverages (adult beverages are welcome - no glass).

**Early Rates:** Early rates are extended until June 5 - you can pay online via PayPal (<https://brookparkswimclub.wildapricot.org/join-us>) or send your check/membership form to P.O. Box 640, Ingomar, PA 15127.

**Landscaping & Property Tax Fund:** We thank the families who have contributed to the Landscaping and Property Tax Fund (previously Supporting/Sustaining Membership). We have \$12,000+ in annual expenses for landscaping and property taxes on Fassinger Lane. As you can see when you drive up Fassinger Lane, we have already started work in maintaining this shared space that benefits the entire community. Since we do not have a mandatory HOA, we rely on your generosity to pay for this work. We have had as high as 140+ contributors in years past (this year, we are at 60+ contributors). If you don't choose to join the pool as an active member this summer, we appreciate your \$95 contribution to help us keep the entrance to our neighborhood tidy.

The Allegheny County Elections Division on May 15, 2020 issued the full list of consolidated polling place locations for the Tuesday, June 2 primary election.

**The polling locations for the 2020 primary have changed; please check your mailbox or [Allegheny County Elections website](https://www.elections.pa.gov).** With numerous local election board officials being reluctant to serve on Election Day and numerous owners of polling locations expressing concerns regarding exposure to COVID-19, the county approved a resolution to consolidate its more than 1,300 polling locations to about 200 to 300. Please check all info before heading out, or don't forget to drop off your mail-in ballot.

## Just How Accurate is a Zillow or Redfin Estimate?

It's easy to fall into the trap. You do a little web surfing, end up on Zillow.com, and start looking at the site's valuation of your home. More often than not, it's much higher than you'd expect and visions of dollar signs begin dancing inside your head.

We hear this often from clients who are ready to put their homes on the market. Online estimate can make clients overvalue their home's worth. It's a difficult conversation to have with clients. But one that's important to have before listing time. An overpriced house will sit on the market. Eventually, the price will have to drop if it's going to sell.

So how do these online estimates work and why are they often incorrect? For starters, Zillow and Redfin are both based across the country from Pittsburgh. They use information from property sales and municipal offices to assess a home's worth—never visiting the actual house or neighborhood. According to the [Zillow](https://www.zillow.com) website, all information is gathered from public records.

But you only need to look at a competing sites to see that online sources give very different values on the same home. For example, Redfin values a 4-bedroom home in McCandless at a range of \$324-\$358K. Zillow lists the same home at \$316K. That's a \$42K price swing. Valuations are closer for recently-sold homes. But many people who are looking to sell—and are being influenced by these online values—have had their home long enough to make it difficult for Zillow or Redfin to give a truly accurate assessment.

The takeaway is that online valuations can start the conversation about a home's worth. But local sources will get you to the price that's competitive for your market.

[Forbes](https://www.forbes.com) adds that hiring an appraiser or trusted real estate agent is the only way to know the true value of your home. "It could save you time, money and the heartbreak of slowly realizing that you trusted the wrong estimate and your home sale is going nowhere until you make a change."
